

911-Germ Prevention

We can be healthy today
(germs/hygine)

C
When you cough or if you sneeze
G7
remember to cover with your sleeve
F C G7
to help...prevent...the spread of germs
C
germs can be really bad
G7
make you sick and make you sad
F C G7
being sick, is not the place you really want to be

F C
I have a dream, I hope will come true
G7 C
Everyone is healthy and doesn't get the flu
F C
so keep yourself clean and keep germs away
G7 C
so we can be healthy today

C
Keep your hands really clean
G7
cause those germs cant be seen
F C G7
but they are there..living on your hands
C
use warm water and some soap
G7
to kill those germs and give us hope
F C G7
of living strong and staying really healthy

F C
I have a dream, I hope will come true
G7 C
Everyone is healthy and doesn't get the flu

F C
so keep yourself clean and keep germs away
G7 C
so we can be healthy today

F C
I have a dream, I hope will come true
G7 C
Everyone is healthy and doesn't get the flu
