

E7	A7
Would you like to swing on a star?	
D7	G
Carry moonbeams home in a jar?	
E7	A7
And be better off than you are?	
D7	G
Or would you rather have a stroke?	

G
A stroke is a cerebral vascular attack
Doesn't care who you are and that's a fact
A7
Your face is droopy and your grip is weak
D7
You make no sense when you try to speak
G A7
And this is not a joke
D7 G
You may end up with a stroke

E7	A7
Would you like to swing on a star?	
D7	G
Carry moonbeams home in a jar?	
E7	A7
And be better off than you are?	
D7	G
Or would you rather break a hip?	

G
A hip can break when you fall

No matter if your short or tall
A7
Your floors are cluttered or your socks are slick
D7
You fall right down and your hip goes click

Its no fun to break a hip

Or would you rather get the flu?

The flu is contagious and makes you ill

You dont want to catch the flu

So you see, its all up to you

You can be better than you are

You could be swinging on a star
